canal. About a month before, when the community, eagerly anticipating a connection with the tide water, was exthere arrived from New York Major Manuel Mordecai Noah, high sheritf of the county of New York consul at variety is of the Burbank, and Tunis, and self-styled Judge of Israel. He came with glittering robes and insignia of office, to establish the city of Ararat on Grand Island, then covered with a dense forest. Although a loyal and devoted son of Abraham, Major Noah had not succeeded in arousing enthusiasm in his scheme among those of his own faith. As a shrewd man of the world, an able lawver, a successful politician, and the editor of the principal organ of the Tammany party in New York, and withal sanguine that the city would prove a mine of wealth to its founders, he had no difficulty in per-uading some of his Gentile friends, among whom was the father of the late Gerritt Smith, to buy
